Ashton Siebert – Will come at lunch time on all home games and start cheese and Chili

Each night, the games begin at 4:00; **please arrive at 3:00 if you have the first shift. The Saturday games start at 1:00 on Saturday; please arrive at noon if you are scheduled to work the first game.

****If you have grill duty, it is very important that you arrive on time.** You are scheduled for the entire night but usually by halftime of the varsity girls' game you are finished cooking and cleaning the grill. When finished cooking, please **clean** the grill and roll it into the foyer of the gym. The propane tanks must be disconnected and left outside of the gym as per the Fire Marshall.

The parents/guardians of the players are expected to work. Do NOT send other children to work your shift for you. If you cannot work and are unable to switch with someone, you can pay \$50/2 game shift and Mr. TJ Davis will hire a worker for you. Call Mr. Davis @ 225-505-4363 as soon as you know you are unable to work so he will have time to line up someone to work. **If you do not show up for your shift you will be charged \$50 to your Silliman statement.

**The early shift of workers will be in charge of set up. Please find the "set-up" duty list on the wall in the concession stand and make sure everything is done. Usually, someone will have already started the chili and cheese.

**The late shift is in charge of clean up and re-stocking the drink cooler. Please find the "closing" duty list on the wall and make sure everything is done.
