

2017 SILLIMAN FOOTBALL CONCESSION SCHEDULE

Attached is a copy of the 2017 football concession stand work schedule.

Please know that we do our best to try to keep you from working on a night your child is participating; however, sometimes it just doesn't work out.

Please note the arrival times - JV games are 4:30 p.m. and Varsity games are 5:30 p.m., except for Senior night and Homecoming - you will need to be there at 4:30 p.m. on these two nights.

We have included parent phone numbers so that if you need to switch with someone, you can call and coordinate that with them. We do not mind if you have to switch days, AS LONG AS THE SLOTS ARE COVERED.

If you are unable to switch with someone or work on your day assigned, please feel free to contact one of the approved workers below to hire them to take your place. You will need to pay them \$100 for the shift.

Thank you so much for your help and know that without you, our children and our program would not be successful. The coaches and staff have put in long hours with our students and your help, generally for one game a year, will help more than you know!

If you cannot get in touch with someone or an approved student worker, please feel free to text Sheri DeLee at 225-719-1873 and I can get a message to these girls or provide a correct phone number for someone you are trying to reach in case of a typo in the phone numbers.

Unfortunately, if you do not show up or do not have someone cover your shift, we will have to hire a student worker and charge \$100 to your school account.
