

Dear Parents of track participants,

We will be hosting February 27, 2017 three invitational Meets, Varsity District and The South State Track and The South State Field Championship meets (6 total). We will need everyone's help this year to help make our season a success. It takes a tremendous number of parent and student workers to run a track meet. We realize that one parent may be helping on the track with events while the other is in the concession stand, but it takes that many workers to make this work. The amount of help needed to run a track meet is tremendous and we have to ask help from a lot of parents that are not even involved in track or this school in addition to the parents of the students involved. This extra help is greatly appreciated. If your student's name is on here they have been on the team past the one week grace period. Therefore, if they quit during the season you are still required to work the shift. This has caused many problems in the past but there is no way around it.

The concession schedule will not be feasible for everyone and we are aware of that but there is no way to make it work entirely in everyone's favor. **Please swap with someone if you cannot work at your designated time. I have included phone numbers so it would be easier if you need to swap with someone. PLEASE DO NOT CALL US AND TELL US YOU CAN NOT WORK THE DAY OF THE MEET, WE ARE TOO BUSY ON MEET DAY TO HAVE TO FIND A REPLACEMENT FOR YOU.** Also if you are scheduled to work during a time when your child is involved in an event the other coworkers surely will understand and allow you to watch your child during that time. We work together as a team even as parents. I have also listed some students who we have approved to work if you cannot find someone to switch with. The cost is \$50.00 per shift to be paid by you. Only the students listed on this page will be allowed to work unless your choice is approved by the school. We have also been asked that no smaller children be allowed in the concession stand. We cannot do this without your help and we are counting on everyone involved. If you do not show up or do not have someone to cover your shift we will hire one of the students and charge your school account. All concessions money goes directly to the track account needed for uniforms, repairs, equipment, upkeep of facility and traveling expenses.

We are looking forward to our home meets- we hope you are too! Please call us if you have any questions.

Sincerely,

TJ Davis-boys and girls track coach/Joy Gardner-track meet coordinator

I DON'T SCHEDULE GRILL WORKERS BECAUSE I DON'T WANT TO PUT ANYONE IN A BIND DUE TO WORK- BUT IT ALSO PUTS OUR BIGGEST NECESSITY SLOT EMPTY! SO THEREFORE IF ANY DADS/GRANDFATHERS/FRIENDS ARE OFF OF WORK ON TRACK MEET DAYS AND ARE WILLING TO HELP OUT WITH THE GRILING WE NEED THE GRILL TO BE GOING FROM 10am-around 6 pm FOR EACH MEET. ANY AVAILABLE TIME YOU CAN WORK WOULD BE GREATLY APPRECIATED. PLEASE CALL/TEXT ME (JOY GARDNER) 978-7843.THANK YOU!
