

Silliman Institute Brick Walkway Fundraiser

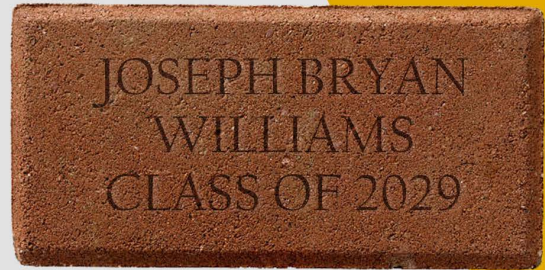

A Solid Foundation for a Brighter Future

OUR MISSION

The Silliman Foundation is an organization that supports the mission of Silliman Institute to provide a brighter future for our school. To work towards this goal while honoring the past, we are creating a memorial brick walkway in front of the school.

Engraved bricks may commemorate your own time at Silliman, or honor the memory of a loved one. By purchasing a brick you can be part of our effort to have covered canopies installed at the high school and elementary carpool drop-offs.

Please consider supporting this effort by purchasing a brick or by providing a monetary donation.
